Dear Sir:

Applicant hereby petitions the Commissioner to accept the amended claim of priority included in the Amendment attached herewith.

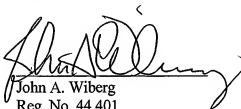

This petition is responsive to the dismissal of the previous petition to accept an unintentionally delayed priority claim, filed on May 24, 2006. The Amendment attached herewith removes the incorporation by reference statement, as required in the dismissal of the previous petition.

Applicant submits that the entire delay between the date this priority claim was due under 37 C.F.R. §1.78(a)(2)(ii), and the date the claim was filed, was unintentional.

Applicant requests that the petition fee paid with the initial petition, filed May 24, 2006, be applied to the present renewed petition. The Commissioner is hereby authorized to charge any additional fees required by this submission to the deposit account of McAndrews, Held & Malloy, Account No. 13-0017.

Date: December 4 2006

Respectfully submitted,
